B. The Declaration permits Declarant, at any time, and from time to time, to add land described in that certain Special Warranty Deed, recorded in Volume 2638, Page 477, of the Official Public Records of Williamson County, Texas, to the Property and the terms and provisions of the Declaration.

C. Declarant desires to add the following land to the terms and provisions of the Declaration, such land being described as follows:

Lots 1 through 24, Block 20, Cedar Park Town Center, Section XI, a subdivision in Williamson County, Texas, according to the map or plat of record in Document No. 2013108597, Plat Records of Williamson County, Texas ("Section XI Townhomes").

D. Section 9.03 of the Declaration permits Declarant to include modifications or amendments to the terms and provisions of the Declaration as applied to the additional land. Declarant desires to modify and amend the Declaration as set forth herein.

NOW, THEREFORE, it is hereby declared: (i) that all of the Section XI Townhomes will be held, sold, conveyed, and occupied subject to the following covenants, conditions and

restrictions which will run with the Section XI Townhomes and will be binding upon all parties having right, title, or interest in or to the Section XI Townhomes or any part thereof, their heirs, successors, and assigns and will inure to the benefit of each owner thereof; and (ii) that each contract or deed which may hereafter be executed with regard to the Section XI Townhomes, or any portion thereof, will conclusively be held to have been executed, delivered, and accepted subject to the following covenants, conditions and restrictions, regardless of whether or not the same are set out in full or by reference in said contract or deed; and (iii) that this Notice of Annexation/Addition of Land to Master Declaration of Covenants, Condition, and Restrictions (this "Notice of Annexation") will modify, amend, and be in addition to the covenants, conditions, and restrictions of the Declaration.

1. Applicability of Declaration to Section XI Townhomes. Declarant hereby declares that Section XI Townhomes shall be held, sold, conveyed and occupied subject to the Declaration. The Declaration shall run with Section XI Townhomes and any part thereof, and shall be binding upon all parties having any right, title or interest in and to Section XI Townhomes, or any part thereof, their heirs, successors and assigns, and shall inure to the benefit of each Owner (as defined in the Declaration) thereof and to the Association (as defined in the Declaration). Any deed, contract or other document purporting to convey any right, title or interest in or to Section XI Townhomes or any portion thereof shall be conclusively held to have been executed, delivered and accepted subject to the Declaration regardless of whether the same are set out or referred to in said deed, contract or other document.

2. Party Walls

(a) General Rules of Law to Apply. Each wall built as a part of the original construction of a single family residence which serves and separates any two (2) adjoining single family residences shall constitute a party wall. To the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto. No alterations may be made to any party wall other than non-structural alterations to the interior surfaces of such walls (i.e., the surfaces of such walls facing the interior of a single family residence); provided, however, that under no circumstance or event will an Owner install or attach in or on a party wall any speaker, alarm, or any other device, item, component, or system designated for the creation or emission of sound. Without limitation on the foregoing, to the extent that the actions of an Owner result in damage to a party wall, the Owner responsible for such damage is obligated to restore and pay any and all costs associated with restoring the wall to its pre-damage condition.

(b) Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who the wall serves in equal proportions.

(c) Damage and Destruction. If a party wall is destroyed or damaged by fire or other casualty, then to the extent that such damage is not covered by insurance and repaired out of the proceeds of insurance, any Owner who the wall serves may restore it, and the other Owner or Owners that the wall serves shall thereafter contribute to the cost of restoration thereof in equal proportions without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule or law regarding liability for negligent or willful acts or omissions.

(d) Right to Contribution Runs with Land. The right of any Owner to contribution from any other owner under this Section shall be appurtenant to the land and shall pass to such owner's successors-in-title.

(e) Roofs, Foundation, Fences. Common roofs and foundations which form a part of single family residences, and common fences between single family residences, if any, will be dealt with in the same fashion as party walls, as set forth in this section, to the extent not maintained by the Association as an Area of Common Responsibility (See Paragraph 4 below).

(f) Dispute Resolution. In the event of any dispute arising concerning a party wall, or under the provisions of this Section (the "Dispute"), the parties shall submit the Dispute to mediation. Should the parties be unable to agree on a mediator within ten (10) days after written request therefore by the Board, the Board shall appoint a mediator. If the Dispute is not resolved by mediation, the Dispute shall be resolved by binding arbitration. Either party may initiate the arbitration. Should the parties be unable to agree on an arbitrator within ten (10) days after written request therefore by the Board, the Board shall appoint an arbitrator. The decision of the arbitrator shall be binding upon the parties and shall be in lieu of any right of legal action that either party may have against the other. In the event an Owner fails to properly and on a timely basis (both standards to be determined by the Board in the Board's sole and absolute discretion) implement the decision of the mediator or arbitrator, as applicable, the Board may implement said mediator's or arbitrator's decision, as applicable. If the Board implements the mediator's or arbitrator's decision on behalf of an Owner, the Owner otherwise responsible therefor will be personally liable to the Association for the cost of obtaining the all costs and expenses incurred by the Association in conjunction therewith. If such Owner fails to pay such costs and expenses upon demand by the Association, such costs and expenses (plus interest from the date of demand until paid at the maximum lawful rate, or if there is no such maximum lawful rate, at the rate of one and one-half percent (1-1/2%) per month) will be assessed against and chargeable to the Owner's Lot(s). Any such amounts assessed and chargeable against a Lot hereunder will be secured by the liens reserved in the Declaration for Assessments and may be collected by any means provided in the Declaration for the collection of Assessments, including, but not limited to, foreclosure of such liens against the Owner's Lot(s).

3. **Insurance-Owner.** Each Owner of a single family residence will be obligated to maintain: (i) property insurance on such Owner's single family residence, in an amount sufficient to cover one hundred percent (100%) of the replacement cost of any repair or reconstruction in event of damage or destruction from any insured hazard. Furthermore, the Association may set forth minimum insurance coverage requirements for the single family residences. Copies of insurance policies, together with such additional information as may be required by the Board, must be remitted to the Association by the Owner on or before the expiration of ten (10) days after the Association's written request. In the event an Owner fails to properly and on a timely basis (both standards to be determined by the Board in the Board's sole and absolute discretion) provide evidence of property insurance or obtain property insurance on such Owner's single family residence in an amount sufficient to cover one hundred percent (100%) of the replacement cost, such failure will constitute a violation of the Declaration and the Board may obtain insurance on such Owner's single family residence in such form as determined by the Board, in its sole and absolute discretion. If the Board obtains an insurance policy on behalf of an Owner, the Owner otherwise responsible therefor will be personally liable to the Association for the cost of obtaining the policy all costs and expenses incurred by the Association in conjunction therewith. If such Owner fails to pay such costs and expenses upon demand by the Association, such costs and expenses (plus interest from the date of demand until paid at the maximum lawful rate, or if there is no such maximum lawful rate, at the rate of one and one-half percent (1-1/2%) per month) will be assessed against and chargeable to the Owner's Lot(s). Any such amounts assessed and chargeable against a Lot hereunder will be secured by the liens reserved in the Declaration for Assessments and may be collected by any means provided in the Declaration for the collection of Assessments, including, but not limited to, foreclosure of such liens against the Owner's Lot(s).

4. **Designation of Area of Common Responsibility.** Pursuant to Section 4.06 of the Declaration, Declarant reserved the right to designate portions of a House and/or Lot as an Area of Common Responsibility.

(a) **Designation of Area of Common Responsibility.** Declarant hereby designates certain portions of each House and Lot comprising the Section XI Townhomes (as defined in Recital C) and being identified in the Maintenance Responsibility Chart, attached hereto as Attachment 1 and incorporated herein, for maintenance by the Association as an Area of Common Responsibility.

(b) **Services Provided by Association.** Specifically, Attachment 1 describes the services presently anticipated to be provided by the Association. Each Owner acknowledges and agrees that such services will be provided exclusively by the Association. Area of Common Responsibility Assessments will be levied against each Owner of a Lot within the Section XI Townhomes to fund expenses associated with the Area of Common Responsibility, as more particularly described in the Declaration.

(c) Owner's Maintenance or Repair of Area of Common Responsibility. Any maintenance or repair performed on or within portions of the Section XI Townhomes designated as an Area of Common Responsibility by an Owner or occupant that is the responsibility of the Association hereunder shall be performed at the sole expense of such Owner or occupant and the Owner and occupant shall not be entitled to reimbursement from the Association even if the Association accepts the maintenance or repair. This paragraph may not be interpreted to evidence consent to any repair or maintenance by an Owner or occupant of components otherwise the responsibility of the Association, it being understood that no repair or maintenance may be done to components otherwise the responsibility of the Association without the advance written consent of the Board.

5. Terms. Capitalized terms used but not defined in this Notice of Annexation shall have the meaning subscribed to such terms in the Declaration.

6. Conflict. Notwithstanding anything in the Declaration to the contrary, in the event of any conflict between this Notice of Annexation and the Declaration, this Notice of Annexation shall control.

Landscape Services will be performed in the front yard area of each House and/or Lot. The "front yard" for purposes of the foregoing sentence will mean the portion of each House and/or Lot from the common or public driveway to the front fascia or fenceline (whichever is further to the rear) of each residence. In the event of any disagreement of what constitutes the front yard of a House and/or Lot, the determination of the Association or its designee will be final. Services will commence as to a particular House and/or Lot on the date a residence has been constructed on such lot and has been occupied for single-family residential purposes.

Services:

1. Mow and edge all front yard turf areas on an as-needed basis as determined by the Association (in its sole and absolute discretion). During the months of April through October of each year, mowing and edging will typically occur at least once per week.
2. Apply fertilizer to the front yard turf areas on an as-needed basis as determined by the Association (in its sole and absolute discretion), which will typically occur three times per year; spring, summer, and fall. The owner of each House and/or Lot will be required to water turf thoroughly after the application of fertilizer.
3. Aerate front yard turf area once per year in February prior to the application of fertilizer.
4. Manually and mechanically control weeds in the front yard as required to maintain a manicured appearance. In cases of extraordinary weed problems, spot treat weeds with appropriate herbicide.

Each owner of a House and/or Lot will be responsible for irrigation and must properly irrigate the front yard turf areas of each House and/or Lot. The Services do not include irrigation or the repair and maintenance of irrigation facilities. The Association or its designated landscape company, from time to time, may provide each owner with a schedule of dates on which front yard lawn maintenance will be performed. Each owner will refrain from irrigating their front yards while Services are being performed on such owner's House and/or Lot.
